DALLAS LOCAL NEWS

(Capital Journal Special Service.)

Robert Sefelt and Harvey Greenwood have rented the room in the Dallas City bank building on Main street formerly occupied by the J. V. Chitty saloon and will soon after the first of the new year open up a soft drink establishment. They will sell everything in the soft drink line allowed by the prohibition law. Mr. Sefelt formerly ran the Olympia saloon in this city, but since the first of the year has been operating a billiard and pool parlor at Sherwood.

Circuit Court Next Month.

The next term of the Polk county circuit court will convene on Monday, January 10, and the present indications are that it will be one of the shortest terms of court held in this county for some time. The criminal docket consists of but one case and the civil docket is unusually light. The jury list has been drawn and Sheriff J. W. Orr has been busy for the past several days, assembling the jurors.

VICTIM OF LA GRIPPE

Tacoma, Wash., Jan. 3.—A resident of Tacoma for more than 25 years, A. H. Garretson, aged 68 years, is dead here today. Garretson was a prominent attorney and formerly was identified with city and state politics. He was taken down with grippe, which developed into pneumonia.

Garretson was elected state representative in 1890 and during the Boggs administration he secured nomination for the office of state treasurer through votes at a caucus held at Ellensburg. Garretson was a native of Iowa and came here in 1853.

WILL HONOR FORD

Detroit, Mich., Jan. 1.—Detroit will honor Henry Ford with a wide open welcome next week. A public reception for the founder of the peace ship plan will be given unless he is too ill. Ford's wife and son went to New York last night to greet him.

New York, Jan. 1.—Henry Ford is not expected in port until tomorrow. He reaches quarantine tonight.

COASTING ADDED TO SALEM WINTER SPORTS

Two Accidents Reported on Lincoln Street Where Hundreds Enjoy Snow

The light snow, the slight freeze and then more snow and Salem was provided with some excellent coasting yesterday afternoon and evening. From the intersection of Fairmount and Lincoln the coasters had a free run to Commercial street down Lincoln and the street was packed as hard as the pavement and polished by the steel runners of the sleds until it was as smooth as glass. Two accidents were reported last night due to the coasting. Beniah Beck, who lives on Lincoln and Saginaw street, suffered a dislocated hip and a 12 year old boy named Miller, had an arm broken.

As the heavy bob sleds often shot clear across the street car track on Commercial street the police found it necessary to regulate the coasters to prevent accidents. Chief of Police Walsh ordered that heavy bob sleds follow no closer than 100 feet and that all coasting across the street car track be prohibited. The street car men took particular trouble to prevent accidents yesterday and stopped their cars and waited for a clear track before attempting to cross the path frequented by coasters.

Big sleds, little sleds, new sleds, rudy sleds and all other kinds of sleds above the snow were seen on the hill yesterday, and it is estimated that at times 1,000 people were either coasting or watching the sport. Long sleds loaded with young men and women flew down the hill and an unregulated speed and the frequent "spills" revealed an unregulated tangle of mixed humanity until each collected himself or herself and made ready for another attempt.

Pullman Victor Over Brown University

Los Angeles, Cal., Jan. 2.—Vindicating western football, the Washington State college football eleven yesterday defeated Brown university, pride of Providence, R. I., 14 to 0 on a slushy field at the Pasadena tournament of roses.

On a wet and boggy field Washington loomed just about three touchdowns better than the Providence team, and but for a fumble, caused by the slippery condition of the ball, would have triumphed by that tune.

Bangs lost the elusive sphere in the third period on the two yard line, right under the shadow of the easterners' goal.

The Cascade athletes relied on straight football with a driving power that was irresistible. Washington's superiority was evident during three-quarters of the combat. Only in the second quarter did Brown have the edge.

Washington Holds in Crisis.

During that time the Providence team had the ball in Washington's territory practically every minute, once moving down to the four yard line. "Dietz" men here dug their heels into the mud, and held magnificently considering that they were not equipped with skid chains.

This was Washington's only crisis and having bridged it satisfactorily, the eleven took fresh courage and advanced the ball down to the Brown line late in the third quarter. Boone going through left tackle for the first touchdown. Durham kicked goal.

In the final quarter the Dietz machine registered another touchdown after smashing down the field and Durham repeated the goal kick.

Again in the last quarter the Brown breakers were in danger from a drop kick by Durham that failed from the 30 yard line.

Dietz to Remain With Pullman.

Los Angeles, Cal., Jan. 2.—Coach Dietz told the Washington State college players before the game: "If you will get in and play like the devil and beat Brown I will coach you again next year, turning down all offers that I have received from the east."

He said after the game: "Yes, I'm going back to Washington State again next year. I cannot leave a team that will fight like they did against Brown. They more than lived up to my expectations."

Some Stocks Reach Highest Point in Years

Copyright 1916 by the New York Evening Post.)

New York, Jan. 3.—Over the holiday, many people expected all kinds of dreadful things to happen, but they were comforted by the market today which told them that for at least the present, prospects are sufficiently auspicious to warrant an advance in the price of securities. For a time after the opening there was disturbed movement in which a number of speculative issues fell a point or more. But buying orders were present all the time and before 11 o'clock they had made their presence felt, lifting the general list on a parity with Friday's close. Afterwards, the upward movement carried some stocks to their highest mark in years.

SAMUEL WOLFER DEAD

Samuel Wolfer, one of the old and well known pioneers of this section, died at Canby, Friday at 10 o'clock a. m., at the home of his son, Charles Wolfer, after a long illness. The funeral services were held at Canby Sunday and burial took place at the Aurns cemetery.

Mr. Wolfer was a native of Missouri, but came to Oregon many years ago and lived on a farm near Needy for many years.

Mr. Wolfer is survived by two daughters, Mrs. Grant B. Dimick, of Oregon City; Mrs. Coleman Marks, who resides near Needy; Henry Wolfer, of Portland, and Charles Wolfer, of Canby. Mr. Wolfer's wife died several years ago.—Aurora Observer.

GOOD USE FOR BOOLE

Aberdeen, S. J., Jan. 3.—Chief of Police Hurst is using 35 gallons of boose confiscated from bootleggers, in his auto radiator. It won't freeze. A special officer guards that radiator whenever the machine is at a curb.

MAGNETES MEET TO PREPARE SCHEDULE

All Clubs To Be Represented —Rumors About Minor Clubs—Sport News

San Francisco, Jan. 3.—King Baseball gave himself a shake today rubbed the "sand" out of his eyes and prepared to get back on the job tomorrow, when Pacific Coast league magnetes will meet here to prepare the 1916 schedule.

From advance notices, the king will have a full house to greet him. Walter McCredie, of Portland, is expected to put in his appearance tonight and it is understood Judge McCreedy will be here to lend his judicial efforts to the schedule making.

Much comment was occasioned among fans today over the fact that Owner Ed Maier, of the Vernon club, will attend. This is understood to be in line with Maier's policy to give more of his personal attention to the affairs of his club. John Powers, of the Los Angeles club, will accompany Maier.

Harry Wolverton, although he will have no official connection with the meeting, is expected in the city today to confer with Henry Berry, owner of the Seals, relative to several important matters.

A Baseball Rumor

Portland, Ore., Jan. 3.—Baseball fans today were discussing a rumor that minor leagues have conspired to have nothing to do with ex-Federal contract umpers. Asked if he expected to sign any of the Federal degners, Walter McCredie, Beaver manager, is said to have mumbled something about "a certain agreement" which would prevent him. This report has set many tongues wagging.

Many Want the Job

Portland, Ore., Jan. 3.—Four candidates were grooming themselves today for the management of the proposed Butte team in the Northwestern league. Perle Casey, former Portlander, was first on the scene. Close at his heels were Deacon VanBuren former Sacramento outfielder, Gus Hettling, ex-Oak and Nick Williams, one time manager of the Portland Northwestern league team.

Golf Colony Breaks Up

Del Monte, Cal., Jan. 3.—Del Monte began to lose its large colony of golfers today, with the closing of the annual New Year's tournament. Roger Lapham of San Francisco, will carry away highest honors, having defeated Harold Mack 3 up and 2 to play.

To Be Cattle Farm

San Francisco, Jan. 3.—The biggest thoroughbred breeding establishment in California, the Oakland stock farm will soon be turned into a cattle ranch establishment, according to an announcement made today by the owners, Lawrence and Comstock.

Plank Pitching Marvel Says Granitland Rice

Granitland Rice, the well-known sporting writer, is responsible for the following:

Forty-one years old and still leading the pitchers of a big league. That is the record now maintained by Eddie Plank, the Gettysburg Guide, who in his 41st year, led the pitching, in earned runs, as depicted by the Feds.

Plank worked in 42 games for St. Louis. Of the 33 games completed, he won 22, lost 11 and tied 1. He allowed but two earned runs to the battle, leading such men as Tom Seaver, Claude Hendrix, Cy Falkenberg and other stars.

The game has had its pitching wonders, but none to lead a big league with a pitching arm 41 years old.

The fourth Fed pitcher in the list was Miner Brown, who was still good enough to win 17 games and lost but six.

Brown and Matty.

The careers of Brown and Matty, old rivals from eight or nine campaigns back, have had queer and curious twists.

In the campaigns of 1906, 1907 and 1908 they were the leading pitching rivals of the game. Then three years ago Brown wrenched a knee and was shipped back to the minors. He was apparently through, as he was then 37 years old. Matty, only 32 years old then, was figured with a long spin ahead. Yet last season, where Brown won 17 games and lost but eight, Matty drew the worst year of his career, through a neuritic ailment this year.

But there is balm in all this for the Giant star. Plank is a star at 41, and Brown still there at 40, Mathewson at 35 should be a long way from the fishing line—from the first ball. With such a kick unraveled, he should still have five seasons ahead, and then be no older than Plank or Brown is today.

Why Tolerate Catarrh?

You have noticed, no doubt, that any cold aggravates nasal catarrh, and the flow of mucous amazes you that such objectionable matter could find lodgment in your head. To ignore this catarrh when the cold subsides is wrong because it continues to slowly injure the delicate linings of the nasal passages and clog them up.

To correct catarrh, cleanse the nostrils frequently with a solution of warm water and salt, insert vaseline on retiring, and take a spoonful of Scott's Emulsion after meals for one month. Scott's acts through the blood to feed the tissues, and contains soothing glycerine to check the inflammation and heal the sensitive membrane.

Scott's is pleasant to take.

While the Wilbur Woolen Mills of this city is not the biggest concern in the state, the manager, J. P. Wilbur is alive and busy all the time. This has been proven many times in the past, and the securing of the state blanket contract is but another reiteration of the fact that if you want anything go after it.

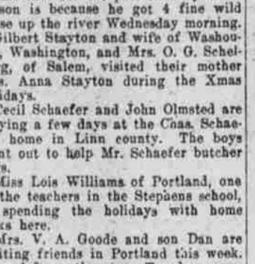

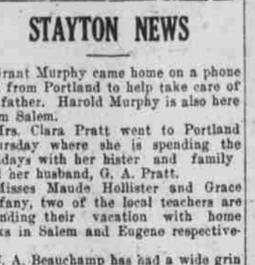

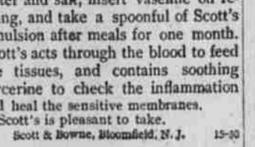

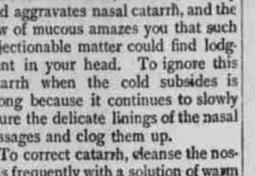

Mr. Wilbur is to be congratulated in securing the contract to supply the blankets for all the state institutions against the bids of almost every woolen mill in the northwest. Many hundreds of pairs of blankets will be turned out the coming month for this contract alone.

Mrs. Ed Young gave a party to her Sunday school class of boys Tuesday evening of this week. A merry time was had by all, playing games, telling stories and eating luncheon. Mr. Young has promised the boys an auto ride when the weather gets pleasant.

Word comes from the Benton County Review printed at Pailmeton, Oregon that Mr. and Mrs. Chas. Roscoe, of Summit, were given an old fashioned

FEDS HAVE GONE FOREVER, BUT KIND WORDS ARE SPOKEN OF THE DEPARTED

The obsequies of the Federal league in Cincinnati a few days ago wherent were most of baseball's most prominent owners and magnetes, brought to a close an interesting career. It may be that the Feds, now languishing in Limbo or some such other region of oblivion, did not produce the choicest class of ball ever dealt the fans. But they at least managed to occupy the public attention for some while and to make their daily appearances in the news.

Most baseball fans will always feel grateful to the Feds for the manner in which through two years at least they enlivened our national diversion. Just what the effect on the game the Fed activities have wrought, or whether any at all, can hardly be told at this time. Most of their sincerest mourners will be found among the players who for a glorious while found them a means to much fatter wages.

A PROGRESSIVE SCHOOL

Prof. S. C. Sherrill who is superintendent of the public schools at Bridge, Coos county, is well pleased with his location. The school board is very progressive and one of their innovations is a hot lunch at noon for the pupils costing them 2 cents daily, or 40 cents a month. A good many of the boys are doing work in the manual training and the girls are doing sewing work under the instruction of the intermediate and primary teachers.

Professor Sherrill, who is well known in Marion county, is having fine success in his work at Bridge.

PIONEER WOMAN DIES

Independence, Ore., Jan. 3.—In the passing of Mrs. Martha A. Hill, whose death occurred on December 30, at her home in Independence, Oregon, loses another of its earliest pioneers.

Mrs. Hill was born in Greenup county, Kentucky, in 1834, and emigrated to Oregon by the ex-tern route to the fall of 1847. She was a child then 13 years old. In 1851 she married Henry Hill and the young people settled at once upon a donation land claim on what is now the site of the town of Independence. Here they lived until Mr. Hill's death in 1904. Nine children were born to their household, four of whom are still living. Ladue E., Homer and Verd Hill, all farmers and settled upon the old homestead, and Mrs. George F. Cohrs, of Spokane, Wash.

Mr. and Mrs. Hill made many gifts of land out of their holdings, for schools, churches and other worthy public enterprises which were built up from time to time at Independence.

BURNED TO DEATH.
